

Privacy Policy for Darts VR2: Bullseye by Gamitronics

Effective Date: Jan 1, 2025

Introduction Gamitronics, the developer of *Darts VR2: Bullseye*, is committed to protecting your privacy while you use our game on the Meta Quest platform. This Privacy Policy outlines the information we collect, how we use it, and the choices available to you. By using our game, you agree to the collection and use of information in accordance with this policy.

1. Information We Collect

Personal Information

We do not collect any personally identifiable information (PII) directly through the game unless you voluntarily provide it (for example, if you participate in community forums or connect to external services). However, the Meta Quest platform may collect information about you, which is governed by its privacy policy.

Gameplay Data

We may collect non-personal data related to gameplay, such as:

- Usage statistics (how often you play, features used, etc.)
- In-game behavior (score, achievements, game progress)
- Device information (device type, operating system version)

This data is collected to improve the game experience and ensure the game runs smoothly on various devices.

VR Interactions

As part of the Meta Quest ecosystem, our game may interact with your virtual reality system. This includes motion tracking, controllers, and environmental data, but we do not collect any biometric data, including facial recognition, eye tracking, or other sensitive data unless explicitly stated.

2. How We Use Your Information

The information we collect is used for the following purposes:

- **Game Performance and Improvement:** To improve the gameplay experience, fix bugs, and optimize performance.
- **Analytics:** To understand user engagement and preferences to enhance future updates and features.
- **Support and Communication:** To respond to your inquiries, provide technical support, or inform you about updates and new features.

We do not sell or rent your personal information to third parties.

3. Data Sharing

We do not share your personal data with third parties except as necessary to comply with legal obligations or for operational purposes in relation to the game. Specifically:

- **Meta Platforms:** As we are using the Meta Quest platform, data may be shared with Meta in accordance with its privacy policy. Please refer to Meta's Privacy Policy for more details.
 - **Service Providers:** We may engage third-party service providers to help us operate and improve the game. These providers will have access to your data only to perform specific tasks on our behalf and are obligated to protect your data.
-

4. Your Choices and Rights

- **Opt-Out of Data Collection:** You may choose to limit or disable certain types of data collection through the game's settings. Please note that this may impact gameplay or certain features.
- **Access and Deletion:** You can request access to the personal data we have collected or request its deletion. For any such requests, please contact us at the email provided below.
- **Data Portability:** If applicable, you may request a copy of your data in a portable format.

Please note that as the game operates on the Meta Quest platform, some of your data may also be subject to Meta's privacy policies.

5. Security of Your Information

We take reasonable steps to protect your information from unauthorized access, use, or disclosure. However, no system is entirely secure, and we cannot guarantee the absolute security of your data.

6. Children's Privacy

Darts VR2: Bullseye is intended for general audiences and is not directed at children under the age of 13. We do not knowingly collect personal data from children. If we become aware that a child under the age of 13 has provided us with personal data, we will take steps to delete such information.

7. Changes to This Privacy Policy

We may update this Privacy Policy from time to time. Any changes will be posted on this page with an updated effective date. We encourage you to review this Privacy Policy periodically to stay informed about how we are protecting your data.
